Welcome

Welcome to Bosch Farms Limousin Cattle's Seventh Open House & Private Treaty Sale

About 30 years ago we started our herd with a few cows bred to Limousin sires and since then we have concentrated on producing profitable cattle with calving ease and performance in an eye-appealing package. This year's calf crop is no different.

We have a large selection of genetics to choose from and nothing is being held back.

To show our appreciation for your support of our program, we are offering a 5% discount on the purchase of 2 or more calves and a 10% discount on 4 or more. Buyers on any heifer calf are entitled to 2 straws of semen from our bull battery.

All bulls may be left until the first of May with a 25% payment on sale day.

The sale is set up as a silent auction - or private treaty sale. A base price is listed on the price list. If you would like to place a bid on any animal, please let Bob, Brian, Justin, Robbin or Kelly know. Your bid will be registered and posted. Bids may be increased by any bidder in \$50 increments until 2:00 PM. At 2:00 PM Bob will open the bidding - beginning with the calf with the highest bid. Bidding will be limited to previous bidders and will be in \$50 increments. The calf will be sold to the highest bidder. Bidding will proceed in the same manner. Any runner-up bidder is eligible to bid on another calf as the sale progresses.

Payment is expected before the animal leaves the farm.

Transfer of registration will be the responsibility of Bosch Farms.
